New Patient Registration

We are Registering New Patients

We are pleased to inform you that we are now accepting new Patient Registrations at the Practice within our catchment area.

We have updated our Patient Registration forms and these are divided into 4 groups in accordance with new guidance on Patient Access:

- Under 5 Year Olds
- 5 to 10 Year Olds
- 11-16 Year Olds
- Over 16 Year Olds

As part of our ongoing service to our Patients, you can now register for Patient Access with all new registrations and also if you are registered and would like to apply for these services. you will need to re-register in some circumstances. A Parent/Guardian may apply for Patient Access for their child under the age of 11.

Between the ages of 11 and 16 the Patient will be required to complete the Patient Access form and if permitted give Proxy Access to the Parent/Guardian. In all cases the Patient must complete and sign the form at the Practice in person.

At the age of 16, Patient Access will immediately be suspended and the Patient will need to re-register at the Practice for access, no proxy access will be given to a Parent/Guardian.

Please ask a Reception for the forms or download from our website at:
www.the.havenpractice.

If you are unsure of whether you are in our catchment area then please check on our website under 'New Registrations' and using your postal address you will have an immediate answer or ask one of the our Reception Team who will be able to let you know.
