

Please name each of your GP teachers:

Dr Larissa Tate/Dr Guy Bidwell

Please grade the following aspects of the GP placement:**What were the best aspects of your GP placement?**

Being given the opportunity to get involved with taking histories/performing examinations. Some of the patient interactions were challenging at the time and I feel that I learned quite a lot. Furthermore, the GPs made sure to challenge our knowledge with questions which I appreciated as a learning opportunity.

What improvements could be made to your GP placement?

None - great placement!
